1 Company Overview

Meridian Logistics Inc. is headquartered in Dallas, Texas, and was incorporated on 2 June 2008. The registered office is 500 Commerce Street, Dallas. The firm sells freight-planning software to carriers and does not operate ships. On 11 January 2024 the board of directors met in Dallas and adopted this annual report for the fiscal year ended 31 December 2023. Flagship customers include Redstone Mutual of Austin and Kessler Rowe of Denver.

2 Financial Results

Consolidated revenue of Meridian Logistics for the fiscal year ended 31 December 2023 was $31,250,000. Meridian Logistics of Dallas, the freight firm, collected that sum for the year. Operating income for the same year was $4,180,000. The board approved a dividend of $0.45 per share on 9 February 2024. Sector commentary for 2024 discussed annual earnings across logistics firms and does not restate the Meridian Logistics figure. Management in Dallas described the revenue result as steady. The company carried no long-term debt at year end.

3 Regional Performance

Meridian Logistics, the Dallas freight firm, reported the June figures below. The southern office in Houston recorded sales of $8,750,000 during June 2023. The desert office in Phoenix recorded sales of $6,100,000 during June 2023. No other domestic office exceeded $1,500,000 of June sales. Regional managers presented these figures in Dallas on 28 July 2023.

4 Operating Review

The operating review confirmed a hiring pause in Dallas starting 1 October 2023. Managers in Houston continued to recruit dispatch specialists through the autumn. Travel between Dallas and Phoenix was limited for the rest of the calendar year. The operating review closed without changing the published revenue guidance.

5 Risk and Audit

Redstone Mutual is taking Meridian Logistics to court in Austin and the court filing remains open. Counsel in Austin estimates the claim at $240,000 and states that the outcome is uncertain. Kessler Rowe is the accounting firm that signed the books of Meridian Logistics in Denver. The risk committee met in Dallas on 4 March 2024.

6 Product Catalog

Product code ML-2208 refers to the pallet scanner module sold by Meridian Logistics. The catalog desk in Dallas files this code with the parts list and checks the label before release. Warehouse staff read the code aloud and match it to the bin card. The same release checklist is used for every catalog code: inspect the label, confirm the bin, and store the signed card with the catalog file. No other catalog code in this section identifies the pallet scanner module.

7 Contract Register

The warehouse platform renewal is filed under contract number ML-CN-2023-0442. The contracts desk in Dallas stamps the number on the renewal jacket and files the jacket with the executed copy. Counsel at Meridian Logistics compares the number with the purchase order before the renewal is countersigned. The same jacket checklist is used for every renewal: stamp the number, compare the purchase order, and store the executed copy.

8 Leadership

Marcus Hale, chief financial officer of Meridian Logistics, certified the revenue figures in Dallas on 9 February 2024. The certification letter is kept with the board minutes. Marcus Hale presented the certified figures to the audit committee in Dallas. The letter does not change the published revenue total.

9 Route Plans

The route card desk of Meridian Logistics in Dallas keeps routine worksheets for section 9. Staff compare the route card notes with the prior file and correct spelling before filing. A supervisor in Dallas initials the route card packet and returns it to the archive shelf. Trainees sit with the route card desk for a short rotation and then go back to their own queue. This route card note does not restate a published figure from another section of the Meridian Logistics record. The archive label shows the section title and the office city Dallas. Clerks file the route card packet under Route Plans and record the clerk initials on the jacket.

10 Dock Schedules

The dock board desk of Meridian Logistics in Dallas keeps routine worksheets for section 10. Staff compare the dock board notes with the prior file and correct spelling before filing. A supervisor in Dallas initials the dock board packet and returns it to the archive shelf. Trainees sit with the dock board desk for a short rotation and then go back to their own queue. This dock board note does not restate a published figure from another section of the Meridian Logistics record. The archive label shows the section title and the office city Dallas. Clerks file the dock board packet under Dock Schedules and record the clerk initials on the jacket.

11 Trailer Checks

The trailer log desk of Meridian Logistics in Dallas keeps routine worksheets for section 11. Staff compare the trailer log notes with the prior file and correct spelling before filing. A supervisor in Dallas initials the trailer log packet and returns it to the archive shelf. Trainees sit with the trailer log desk for a short rotation and then go back to their own queue. This trailer log note does not restate a published figure from another section of the Meridian Logistics record. The archive label shows the section title and the office city Dallas. Clerks file the trailer log packet under Trailer Checks and record the clerk initials on the jacket.

12 Driver Briefings

The briefing sheet desk of Meridian Logistics in Dallas keeps routine worksheets for section 12. Staff compare the briefing sheet notes with the prior file and correct spelling before filing. A supervisor in Dallas initials the briefing sheet packet and returns it to the archive shelf. Trainees sit with the briefing sheet desk for a short rotation and then go back to their own queue. This briefing sheet note does not restate a published figure from another section of the Meridian Logistics record. The archive label shows the section title and the office city Dallas. Clerks file the briefing sheet packet under Driver Briefings and record the clerk initials on the jacket.

13 Warehouse Labels

The label roll desk of Meridian Logistics in Dallas keeps routine worksheets for section 13. Staff compare the label roll notes with the prior file and correct spelling before filing.
